BSP **TEX**

More from BSP-TEX

BSP-TEX road maintenance machinery division encompasses well-known brands such as Barters, Belspray, Bitmen, Bristowes, Springfield and Trojan. BSP-TEX design and manufacture all the machines and equipment in the UK. Customers benefit from the BSP-TEX Quality Guarantee and exceptional customer service.

BSP-TEX subcontracted manufacturing services include light and heavy engineering, medium to high volume fabrication (incorporating sheet metal, punching, plasma cutting, laser cutting, welding, machining operations, painting and powder coating), enclosures, custom trailers, burners and electro-mechanical assemblies.

TEX GROUP

BSP-TEX is part of the TEX GROUP and has manufacturing facilities across six UK sites.

- **QK-TEX** manufactures lightweight honeycomb panels
- **G&M EUROTEX** provides bespoke containerised generators and engine refurbishment
- **TEX PLASTICS** produce injection mouldings
- **TEX ATC** design and manufacture air traffic control rooms
- **CAIGATE-TEX** provides hybrid energy and smart microgrid solutions
