

TROJAN

## Trojan Asphalt Mixers

**BSP-TEX Trojan mastic and asphalt mixers are available in six sizes, ranging from 600kg (12cwt) to 4,000kg (4t). Choose from static or road trailer models and a wide range of optional extras.**

The road trailer models have EU Whole Vehicle Type Approval (EUWVTA), and the freestanding units are suitable for truck mounting. The Trojan Scorpion 600kg (12cwt) model is extremely compact and manoeuvrable, perfectly suited to small contracts, and the Trojan Chiefton 4000kg (4t) model can handle most jobs. Call our Technical Sales team to discuss your requirements.

**Capacity  
600–4,000 kg  
(12cwt–4t)**

**Choose from  
road trailer or  
static options.**
